

VI DERM

“The VI Derm® Cleanser is an aloe vera based product that will gently remove cellular buildup, residue from makeup and the environment without stripping the skin of its natural moisture. After using the VI Derm® Cleanser your skin will be refreshed, revitalized and radiant.”

“HQ Plus is a proven skin brightening formula that may reduce discolorations in as little as 4 weeks. This pigment combating treatment product combines 2% Hydroquinone plus a powerful botanical boost to limit melanin production and reduce redness. This product helps fade and remove age spots, sun spots, acne scars and uneven skin tone. It helps prevent future pigmentation production while reducing skin damage from sun exposure. It also helps improve overall skin tone and texture.”

“The antioxidant rich VI Derm® Exfoliating Body Wash will penetrate deeply to exfoliate and brighten dry skin for a more even skin tone and soft, touchable skin. The Nirvana fragrance first awakens the senses with a luxurious blend of sparkling citrus and watery jasmine then leaves the skin with a soft hint of woody amber and vanilla.”
